Nationals Competition Information

Agility

Entry is on a first-come, first-served basis by postmark date. All entrants must be in good standing with ASCA and no entry will be accepted for any dog or handler disqualified from the ASCA agility program. The Nationals trial is one trial held over three days and will be held in the West Pavilion on a packed-dirt surface. The trial will be judged by two judges, judging in three rings, with a limit of 450 runs per judge per day. If entries warrant, an additional third judge will be hired to allow more dogs to enter. Bitches in season will compete pursuant to ASCA Agility Rules. Dogs jumping in the 20+ and the 24" classes will be scored together and class placements will be combined. Obstacles used during the trial are defined in the ASCA Agility Rule Book. The obstacles that will be made available to the judges include dog walk, A-frame, teeter, open tunnel, weave poles (24" spacing), non-winged hurdles, winged hurdles, and double bar hurdle. All contacts have rubber surfaces; dog walk and A-frame are not slatted. A-frame will be set at 5'6". Electronic timing equipment will be used. Check-in, schedule and start times will be sent with confirmation of entry. **Move-ups** for the Nationals trial close on OCTOBER 12, 2022. Weave poles and a jump will be provided for warm-up. There is adequate crating space available around the agility ring area for competing dogs. In order for the trial to run smoothly, we need helpers. Please consider volunteering and filling out the volunteer form found following the Submission Form.

Measuring Policy - All dogs measuring 20" or less at the withers, not jumping in the highest jump height, must provide proof of measurement (ASCA, AKC, NADAC height cards or a copy of the USDAA Dog Information Page) or must be measured. Dogs in the 20"+/24" Standard Division classes, Veteran Dogs or ACE Standard Division dogs entered in the 16"+ classes and ACE Senior dogs in the 12"+ classes do not need to provide proof of measurement.

Please mail a copy of an approved proof of measurement with the trial entry form.

Awards - 1st through 4th place class placement rosettes; qualifying scores rosettes; HIT for Novice, Open, Elite in the Standard Division; HIT Junior Handler Division; HIT Veteran Dog Division; and Overall HIT. HIT will also be awarded for the ACE program Standard Division and Senior Division. HIT Conformation Champion of Record, HIT Rescue and HIT 10+ Years will also be awarded. High in Trial Awards will be calculated using the formula outlined in the ASCA Agility Rule Book.

Agility Team Tournament to Benefit ARPH and ASHGI – Earn a little money for ARPH and ASHGI and maybe earn a little swag for yourself, too! How it works: Enter as a 3-dog team. All of your scores from the six Nationals Agility runs will be combined, using HIT tabulations. Profits from entry fees and donations will go directly to ARPH and ASHGI, after prizes are deducted. Rosettes and prizes for the winners! Watch Facebook, our Nationals pages on ASCA.org and your email for more details or contact Helen Wilson at reddogag@yahoo.com for more information. Winning teams will be announced during HIT awards.

Conformation

Altered and Intact

Conformation will be held in the Exhibit Hall. No grooming, grooming tables, or ex-pens will be allowed inside the building, but holding crates will be allowed in certain areas, eight feet from the ring, but they must be removed immediately after judging. No crates may be left overnight. Judging schedules will be posted on the Nationals pages on ASCA.org and/or at the Show Office and will be available in the welcome packet and will be posted ringside each day. *Class schedules are subject to change.* Judges will not wait for any dog holding up a class, with the exception of the Bred-By class. Bred-By handlers with conflicts must have made the ring steward aware of the conflict at least 30 minutes prior to the start of the class. Owners or agents are responsible for having their dogs at the ring when their classes are called to be judged. The 2022 Nationals Committee is not responsible for or obligated to furnish any service of notifying exhibitors of the start of class judging. Dogs will enter the ring in catalog order, unless otherwise posted. A maximum of 175 dogs/bitches will be judged by any one judge on any one day. If entries warrant, the Conformation Secretary reserves the right to divide classes into groups. In such case, the judge will designate which entrants will return for class placements from each group. Overflow will be done by the assigned judge(s) and will begin with the 6-9 class and move through until the necessary overflow number has been met.

Awards include rosettes for 1st through 4th class placements for all regular and non-regular conformation classes, BOB, BOS, BOW, WD, WB, Reserve WD, Reserve WB, and 10 Premier Dogs and 10 Premier Bitches.

Non-Regular Puppy: Two to Four Month Puppy class shall be for puppies that are two months of age but under four months of age, calculated as of October 28, 2022. Four to Six Month Puppy class shall be for dogs that are four months but under six months of age, calculated as of October 28, 2022. These classes will be divided by sex and color. The winners of these classes shall compete for Best of Breed Puppy and Best of Opposite Sex Puppy. These puppies may be altered.

Veterans: This is open to dogs which have reached their seventh birthday as of October 28, 2022. This class is open to intact or altered dogs and bitches and will be divided by sex and by age: 7-10 years, 10-13 years, and 13+ years.

Stud Dog / Brood Bitch: See section 4.14 b and c of the Conformation Rule Book. Two to four "get" of the dog or bitch, at least two of which must be entered in a regular conformation class. Dogs and bitches shown as progeny cannot be entered in this class themselves. Stud Dog or Brood Bitch and their get may be either intact or altered.

Generation Entries: Three to five generations of direct descendants will be judged for quality and uniformity in the same manner as the Stud Dog /Brood Bitch classes. The entrants can be altered, and 2-6 month old puppies are eligible to be part of a group. A separate entry form must be filled out which lists the first dog in the group (the oldest generation). The balance of the group does not need to be listed, but they do have to be entered in a class in Nationals Conformation in order to participate in the group. The first dog in the group (oldest) DOES NOT need to be entered in another class in the Nationals. This is a non-regular class.

Breeder Showcase: Three to five dogs/bitches in each group; same rules as Generations except they must all be bred by the same breeder(s) and do not have to be direct descendants. The breeder or an immediate family member is NOT required to handle a dog in the group. This is a non-regular class.

WTCH Class: Altered or intact, judged together; divided by sex; must have received confirmation of the WTCH title. This is a non-regular class. Best WTCH and Best of Opposite Sex WTCH will be awarded.

Brace: Two dogs shown together, which must look alike and move as one. See section 4.14.d of the Conformation Rule Book.

Junior Handling

Ownership rules must be followed to earn points. Please refer to the ASCA Rules and Regulations for Junior Handling and Junior Finals at www.asca.org. If the Junior must make a change in the dog to be exhibited, the change of dogs must be made at least one hour prior to the judging of the class and be approved by the Junior Chairperson, Corey Lambert, and at least one other Show Committee or ASCA official. **Awards** include rosettes for 1st through 4th class placements and participation rosettes for Pee-Wee and Sub-Junior exhibitors.

It will be first come, first served.

Please notify the Obedience Secretary as soon as possible if you are competing with a bitch in season, at least 30 minutes before the trial begins. Individual exercises will run in catalog order to the extent possible; adjustments may be made to accommodate conflicts. Should the number of entries warrant hiring an additional judge, this will be indicated in your confirmation of entries. Judging assignments may change after the close of entries. **Move ups will be taken on Monday, October 31, from 7:30 – 8:00 P.M. in the Southeast Pavilion.**

Awards will include rosettes for 1st through 4th place class placements, qualifying scores rosettes, and rosettes and prizes for High in Trial, High Combined (Open B and Utility), High Score Veteran, High Score Conformation Champion of Record and High Scoring Junior.

Uncertified dogs may enter the TD/TDU test, but their entries will be drawn last in the draw for test entry. Bitches in season may participate after all other dogs have been tested, but they must be kept out of the tracking area prior to their track. Priority for draw order for TD/TDU test:

1. Aussies who are untitled in Tracking with a Certification or an equivalent title;
2. Aussies entered in Most Versatile Aussie competition that are titled in Tracking;
3. Aussies who are titled through TD2/TDU2 but not entered in Most Versatile Aussie competition;
4. Aussies who are uncertified.

Priority for draw order for TDX test:

1. Aussies who are titled through TD or TDU, not previously titled in TDX
2. Aussies who have previously titled in TDX, who are entered in Most Versatile Aussie competition
3. Aussies who have previously titled through TDX1
4. Aussies with TDX2 or MT titles.

A DUPLICATE COPY OF ALL TRACKING ENTRY FORMS AND ASCA/AKC/CKC TITLE CERTIFICATION SLIPS MUST BE SENT TO THE TRACKING CHAIR BY THE ENTRY DEADLINE. Entries must be received by August 31, 2022 to be eligible for the draw. Mail to:

Jan Wesen

PST on September 20, 2022. The Draw for Entry in the test is open to all interested. Withdrawals after the close of entries will receive a refund if there are alternates to take their place. Entries and alternates will be confirmed with a judging program, which will include all details related to the test. We reserve the right to add tests, if possible. Most Versatile Australian Shepherd

The Most Versatile Aussie Award is offered to recognize the dog that best combines the attributes of working ability and trainability and that faithfully represents the Breed Standard. The MVA / MVJ Chairperson is solely responsible for Versatility record-keeping from start to finish. The competition will be conducted using the rules in Chapter 1 of the MVA Rules and Regulations. Bitches in season will run at the end of each class (or as posted) with the same requirements as listed in the Agility/Obedience/Rally Finals and Tracking rules. The 2022 Most Versatile Aussie award will be presented Friday at the Nationals Banquet. The Joseph Hartnagle Memorial Award and the Jean and Bob Carrillo Memorial Award will be presented to the Most Versatile Aussie. To find the MVA Rule Book, go to ASCA.org, click the Quick Links tab on the right side, choose Rules & Forms, then choose Rule Books, and then choose MVA/HOF/VCH/PCH Rules.

Most Versatile Junior

This award is for the Junior Handler who has the highest combined scores in junior handling, stockdog and the performance events. The dog must be owned or co-owned by the Junior or his/her immediate family and the co-owned dog must reside in the junior's home 75% of the year. The Most Versatile Junior competition will be conducted in accordance with Section 8.7, Rules for Holding a Most Versatile Junior Competition, of the Junior Showmanship Program Rule Book. Please write a short 100-word description of the Junior and his/her dog to be read at the MVJ awards presentation on Friday at the banquet. The **Sandy Tubbs Memorial Award** will be given for the Most Versatile Junior.

Conflicts

If you have a conflict with events, conformation takes priority. Notify ring stewards 30 minutes before the ring starts to get scheduling worked out. The MVA/MVJ Chairperson will be available to help you work out your conflicts with the venue Chairmen and Stewards, but ultimately, it is your responsibility as the handler to make sure you get to your runs before the rings close. We will try to be accommodating, but we must know you have a conflict. If you do not make it to do your run by 30 minutes after the completion of the class, we will not look for you, and you will forfeit your run.

ARPH Booth & Raffle

Aussie Rescue Placement and Helpline, Inc. (ARPH) is a 501(c)(3) non-profit charitable organization run entirely by volunteers and donations, which was started in 1992 and is the official rescue organization of ASCA. One way our organization can continue to help Aussies is through our booth and raffle at ASCA's National Specialty. Proceeds from booth sales and the raffle are one of our biggest fundraisers each year and help us cover the cost of vet care for Aussies in rescue. Many of the items we sell in our booth are made by our volunteers—crate pads, engraved water pails, collars, leashes, keyrings, coasters, notecards, etc. We also have our annual calendar featuring rescued ARPH dogs. We are seeking donations of items or monies for the raffle from clubs and individuals. If you are looking for ideas, we do have a wish list on Amazon. <https://smile.amazon.com/hz/wishlist/ls/3V3OZD9N1TBYA>. If you would like to donate items, please reach out to Jean Inman at arphnationalscommittee@gmail.com for more information.

Welcome Reception Dinner - ASCA Family Picnic

To celebrate the start of Nationals, we are hosting an informal get together on Saturday, October 29, at 7 P.M., with a cash bar starting at 6 P.M. Dinner will feature brisket, sausage, potato salad, corn casserole, beans, peach, pecan and cherry cobbler. Fun and games will be provided. The cost for the dinner will be \$12; please reserve your tickets on the summary submission form, as reservations are required for attendance. This Saturday will be a Texas A&M home game, so local restaurants will be BUSY, so we hope you will join us.

National Banquet - Celebrating 65 years of ASCA!

The National Banquet will be held at 7 P.M. on Friday night, November 5. There will be a cocktail hour with a cash bar starting at 6 P.M. The meal will feature house or Caesar salad, Petite Sirloin, Herb -Crusted Chicken, Petite Pork Chop, green beans, mashed potatoes, tea, bread and honey-cinnamon butter, and Brownie or cheesecake for dessert. The cost will be \$35 for adults and \$15 for children under 10. Reservations are required and can be made using the summary submission form. Notify Laura Gibson at chaseaussies@aol.com, if you require a vegetarian/vegan alternative. MVA and MVJ Awards, the Libby Long Award, the Junior Above and Beyond Award, the Ernie Hartnagle Award and the ASCA Lifetime Achievement Award will also be presented at this event. Come join the celebration!

Stalls / Grooming Areas / Bathing Facilities

Grooming will be done in the stall area. There will be no grooming in the Exhibit Hall or in areas around the Exhibit Hall or Expo buildings. If you don't want to rent a stall, you may groom in the parking lot adjacent to your vehicle; however, no extension cord hook-ups to any electricity, inside or outside of the building, will be provided or allowed. No private canopies may be set up around the Exhibit Hall.

Stalls will be assigned. Stalls may be rented in either the West Pavilion, Southeast Pavilion or East Pavilion. Please indicate which you would prefer when you reserve your stalls, and we will do our best to accommodate your request. However, there is no guarantee that you will get into the West Pavilion Agility area, as space there is limited, and refunds will not be given if you are assigned to the Agility overflow space in the East Pavilion. Stalls are 10 X 10 feet and have dirt floors. Shavings, if used, must be purchased from Brazos Expo Center. Each stall has its own electrical outlet. The stalls can be dusty due to the dirt floors, so having a tarp for the floor might be helpful. Dogs may be left overnight, but your name and emergency contact **MUST** be left on the stall, and ASCA, the Nationals Committee and Brazos Expo assume no responsibility for dogs left unattended overnight. People may camp in the stalls. Those choosing to camp in the stall areas need to realize that dogs may be barking all night and lights may be left on, sometimes all night long, and the Nationals Committee does not guarantee any peace and quiet or darkness in the stalls area! Reservations are \$185 per space for the show. No per day reservations will be accepted. Any unreserved spaces will be available at the show on a first-come, first-served basis at \$225 per space. Contact the Nationals Show Office in the Exhibit Hall at the show for an unreserved space. **There will be NO refunds on cancellations received after August 31, 2022.** There are wash racks in the East Pavilion, and we will provide three Booster Baths. **Group Reservations:** Those wishing to be assigned together should have ONE person reserve the total number of stalls needed for the group.

Clean Up Deposit: A separate check for \$100 must accompany stall rentals, one deposit per stall rented. This check will be shredded if your stall is left free of trash and debris, including excessive dog hair from grooming. Thank you for your help and your understanding.

Vendor Spaces / Vendor Permits

Ten foot by ten foot vending spaces, with electricity, will be available for \$375 for the week. These spaces will be in the Exhibit Hall. You may purchase more than one space. Set up on Friday after noon will be by assigned time. **You will not be able to drive in to set up, so bring a dolly.** Space is limited, so contact Vendor Chair, Kim Eden ASAP at kim.eden82@gmail.com to reserve your space. If you'd like to sell items but do not want a Vendor Booth, you will need to purchase a Vendor Permit at the cost of \$185. We will give you a permit to display so that you can sell your items on site. **No merchandise or services may be sold without a vendor's permit, and those caught violating this will be asked to leave the premises.**

Show Photographers

We have invited several photographers to come to Nationals so exhibitors will have the opportunity to obtain pictures of their dogs in action. However, **only** the official win photographer will take official win photos for publication in the *Aussie Times*. If you win one of the placements which requires an official photo, you will receive a card that you must take to the official show photographer in the Exhibit Hall so that you and your dog's picture can be taken. This is the only way we have to keep track of your win shots for the *Aussie Times*. We appreciate your help and cooperation. **ALL photographers taking photos to be sold, including candid ring shots, must be an approved photography vendor.** Contact Kim Eden at kim.eden82@gmail.com for a vendor permit. Those without a vendor permit will be asked to leave the premises with no refund of entry fees.

RV/Tent Information

There are 126 RV spaces with 30-amp hookups and water on blacktop. These spaces are located on the west side of the facility. A limited number of these spaces also have 50-amp hookups. If you have a towed or tow vehicle, you need to park it in the parking area, which is nearby. Two pump-outs are included in the price of the space. RV spaces will be assigned. On the reservation form, please indicate which venue you would like to be near, and we will do our best to accommodate you. Spaces will be available starting at 12:00 P.M. on Friday, October 28, 2022. No refunds will be given after August 31, 2022. Reservations will be confirmed with entry confirmations. Sites will be reserved in the order of a random draw based on postmark date. The RV rate with electric and water is \$380 for the circuit (8 nights – 2 dumps). We believe we will be able to accommodate slide outs by staggering the parking of the RVs since the spots are 60 feet long. However, please realize these spaces were designed for horse trailers, not RVs with slide outs! **There is a mandatory cleaning deposit of \$100 per RV reservation.** Send a separate check with your reservation. Your check will be destroyed after inspection of your site, provided you have left the site clean and trash free. **You must send in your reservations together in order to be parked together!** If you are driving in Thursday night, October 27, 2022, you may park on the gravel lot, adjacent to the site, for free. You may park there Saturday night, November 5, also, if needed. Look at our Nationals pages on ASCA's website at asca.org or look on our Facebook group for updates and additional information.

Tent camping will be on grass on the west side of the facility. Camping will be allowed in the stalls, too. No propane heaters or camp stoves are allowed in the stall areas. In Texas, we do have fire ants, so please be aware of this if you camp on the grass. Tent rates are \$25 per night or \$150 for the circuit (8) nights. There are only three men's and three women's shower stalls on property!

Local RV Parks

There are several great local RV sites, in case we have more RV reservation requests than we can accommodate. The Galloping Snail is right out the back gate of the Expo and it provides full hookups. Contact them at 979-775-3562 or visit their website at gallopingnailrv.com. There's a new RV park on Leonard Road, right down the road from the Expo. Check out Great Escapes RV Resort at <https://www.greatescapesrvresorts.com/resorts/bryan-station/>. See our Nationals pages on ASCA.org for a full list of local RV sites.
