# Nomination Form for ASCA's Lifetime Achievement Award

The Lifetime Achievement Award is given each year to a person or group that has contributed to the breed and/or the ASCA organization in an outstanding manner.

An award presentation will be held during the Nationals Banquet each year and the recipient(s) will be provided with an Honorary Lifetime ASCA Membership and a subscription to the Aussie Times at no fee. A full-page black and white announcement will also be published in the September/October issue of the Aussies times to recognize the recipient(s).

**You must include with this nomination form a detailed letter of recommendation from one to three individuals stating why this nominee is deserving of this award.**

The nomination form, letter(s), and any additional documentation must be received by the ASCA Executive Secretary no later than **February 1** each year. Nominations are collected year-round and forwarded to the History Committee, which makes its recommendations to the ASCA Foundation Board by **March 1**, with the recipient(s) chosen during the Board's Spring Meeting. The recipient(s) will be announced online and at the National Specialty.
